Draft answer.

*Q.No. 634-A: SRI T.ANANT PAI, M.L.A.

Will the Hon. the Minister for Public Works be pleased to state by what time the supply of electricity from Jog is expected for South Kanara to be completed?

It is not possible to predict this since the agreement with the Govt. of Mysore has not yet been concluded, ~~it is now premature to forecast when supply of electricity from Jog Falls Scheme for the South Kanara district may be completed.~~

M p.2 NF

Difficulties not be difficult to conclude the agreement for early date,

To The Secretary,

P.W.(L-1)

Please see the Legislative Assembly question given notice of by Sri T.Anant Pai, M.L.A. at p. 1 c.f. relating to supply of electricity from the Jog Falls Scheme of the Mysore Govt. The question is starred. An advance copy of it was circulated to M.(P.W.) for information.

p. 1 c/f

2. It may be mentioned that Sri Y.Manjaya Shetty, M.L.A has also given notice of a question on the same subject and this is dealt with in the Top File. It will be seen from the note in the T.F. that the only outstanding point for settlement in regard to the agreement with Mysore is that relating to the question of levy of surcharge by Mysore on supplies made. The revised draft agreement since

received from Mysore is under scrutiny and the remarks of the C.E.(E) thereon are awaited. It should not be difficult to conclude the agreement early and it should be quite possible to supply South Kanara by the middle of 1954, assuming that no drastic cut is made in the provision available for Electricity Extension Schemes.

Separate file not put up

Note 'K' on P.2 NF (L) in T.F.

It may, however, be mentioned that the Mysore Govt. have not accepted the draft of the agreement sent by this Govt. and that with reference to their ~~letter~~ latest draft, the remarks of the C.E.(E) have been called for and they are awaited.

Separate file not put up

3. In the circumstances it is for consideration whether the answer to the question may be as follows:-

"As the agreement with the Govt. of Mysore has not yet been concluded, it is now premature to forecast when supply of electricity from Jog Falls Scheme for the South Kanara district may be ~~expected~~ completed."

M

A draft answer is accordingly submitted. The file may be circulated to M.(P.W.) for approval. (A copy of para 4 of the note in the Top File, after approval, will be placed in this file to enable the Minister to answer the supplementary questions, if any, that may likely to be put.)

(We are not sending files now but self contained notes)
